

'Green Day' and 'Ceolchoirm Gaelach' at Scoil Naomh Cualán

As a fun activity for all pupils and as part of our celebration of Seachtain na Gaeilge, we will celebrate 'Green Day/ Irish Colour(s) Day' on Friday, March 16th. Pupils may, if **they wish**, wear something green, white or gold to school. It can be as simple as a jersey, a novelty hat, badge or hair decoration or whatever your child wishes. The emphasis is on fun and children do not need to have elaborate costumes. Pupils can paint their faces etc. if they wish. There is no obligation on any child to dress up but all are welcome to join in the fun.

Third to Sixth Classes will also take part in 'Tráth na gCeist', a fun quiz through Irish, which is always keenly contested and enjoyed by all.

We also take this opportunity to congratulate all who were involved in both North Finals of Scór na bPáistí at the weekend. As part of our Seachtain na Gaeilge activities, the winning acts will perform for the whole school at our special 'Ceolchoirm Gaelach' in the Marian Hall, tomorrow, Thursday, at 1.00p.m. We are very grateful to the Scór committee, Hall committee, parents and mentors who have facilitated this very special treat for all the school. The Ceolchoirm will end at approx 1.30 p.m and we invite any parents or family members who are free to attend to come along and enjoy this special event. Children in the Infant Classes can be collected from the Marian Hall, following the concert. All children will walk down to the Hall in advance so we ask parents to ensure that they are dressed to deal with any potential bad weather.

Go raibh míle maith agaibh go léir agus Lá Fhéile Pádraig Shona daoibh go léir.

Caitríona, Bn. Uí Riain agus Foireann na Scoile.
